Global Industry Council

- Aim to be more than a sounding board

- Working group - Goals to advance the IFIP & IP3 cause

- Collaborate for newsletter pieces

- Want to author articles highlighting major achievements in TCs

- Thought Leadership on how to promote relevant SDGs
  - Feed into articles

- Speakers and collaborators for WSIS workshops

IP3 Accreditation levels

Accreditation Name	Aligned to SFIA Level
IP3T - Technologist	3
IP3P - Professional	5
IP3cio – CIO or C-Level Exec (e.g., CTO)	7

SFIA levels used as a benchmark. Accredited Societies are under no obligation to use SFIA

Accredited Members

- Australian Computer Society)
  - Professional level (SFIA5) with Cybersecurity specialism
  - Technologist (SFIA3) with Cybersecurity specialism
- Canadian Information Processing Society (CIPS)
  - Professional level (SFIA5)
- Computer Society Sri Lanka CSSL
  - Professional level (SFIA5)
  - Technologist level (SFIA3)
- Information Processing Society Japan IPSJ
  - Professional level with Data Science specialism (SFIA5)
- IITPSA (South Africa)
  - Professional level (SFIA5)
  - Professional CIO (SFIA7)

Members

- Computer Society Zimbabwe (CSZ)
- IT Professionals New Zealand
- Korean Institute of Information Scientists and Engineers (KIISE)
- KNVI - Koninklijke Nederlandse Vereniging van Informatieprofessionals (Royal Netherlands Association of Information Professionals)
- Swiss Informatics Society

All these Societies have signed up as IP3 members, demonstrating support for IP3 goals and mission. They are either on the path to accreditation or are affiliated with another accreditation body.

IP3 Planned Actions

- Set up ISO24773 Accreditation Body
  - Project lead Tetsuro Kakeshita (IPSJ)
  - Response to IP3 Member survey not satisfactory
  - New strategy:
    - Update IP3 accreditation guide to indicate how this fits in with IP3 accreditation
    - Contact other certification bodies to gauge their interest in the service

- Cyber-security skills landscape project with TC11 & ITU – *to be revisited in May 2024*
